Job Hunting? Try this resume builder.

Searching for a new job?

Use this mobile-friendly tool to build your resume. The easy fill-in-the-blank process allows you to add your information (contact information, experience, education, etc.) and leads to a finished resume in PDF format that you can save or email.

The advertisement features a blue background. On the left, a magnifying glass with a red handle is focused on the word 'resume' in red. Surrounding 'resume' are various resume-related terms: 'experience', 'activities', 'objective', 'education', 'references', 'contact info', 'positions', 'abilities', 'skills', and 'awards'. The text 'Resume Builder' is written in white at the top left. To the right, the text 'Create a Resume' is in red. In the top right corner is the 'POWER LIBRARY PENNSYLVANIA'S ELECTRONIC LIBRARY' logo. Below this, three checkmarks are followed by the text: 'It's mobile-friendly', 'Easy fill-in-the-blank', and 'Results in a finished resume in PDF format that you can save or email'.

The advertisement is set against a background of green grass. On the right side, there is a close-up of a red and black lawnmower tire. On the left, a semi-transparent grey box contains the text 'Time for a tune-up?' in large, bold, yellow letters. Below this, in smaller black text, it says: 'Find detailed repair guides for all types of small engines, including mowers & trimmers, ATVs, motorcycles & much more. All you need is your library card.' At the bottom left of the box is a logo featuring a wrench and a screwdriver crossed, with the text 'Small Engine Repair Reference Center' next to it.
